RE: A New Medical Magnet Program Facility
@ Carroll High School
Recommendation Letter

James,

Bids were received, opened and read out loud at 2:00 PM on Tuesday, August 15, 2017 resulting in **Gentry Construction, Inc. of Monroe, LA** providing the lowest Bid including Alternate No. 1, in the amount of \$1,071,800.00.

We are pleased to say that this project came in well under the \$1,338,000 budget.

We recommend that their Bid be accepted and the Project be awarded to Gentry Construction, Inc. for the total amount of \$ 1,071,800.

We plan on attending the School Board Meeting scheduled for tonight to address any questions.

Sincerely,

LAND 3 ARCHITECT INC

William A. Land, AIA
