November 2025  
20th Edition

## NOVEMBER Student of the Year Edition

As we embrace the month of November, it's an opportune moment to reflect on our achievements and set our aspirations for the future. This month, I am thrilled to honor the Students of the Year, who truly exemplify excellence in academics, leadership, and character. Congratulations to each student recognized at their school site as Student of the Year! Monroe City Schools is immensely proud of your remarkable contributions to our community. These outstanding students have demonstrated unwavering dedication, resilience, and a passion for learning. They truly embody the values we aim to instill in all our students.

Monroe City Schools is dedicated to fostering an environment where every student can thrive. The success of our Students of the Year and the academic growth of our district reflect the collective effort of our students, teachers, and families. As we look ahead, we are dedicated to maintaining our positive academic progress across all grades. We are excited about the strides we have made and the journey that lies ahead of us. Thank you for your continued support and partnership in helping us empower our students' success.

Sam Moore, III  
Superintendent
