It is permissible to bid another brand, make and model product for evaluation as an approved equal to the specified brand. Equivalent brands that meet the approval of the Board will be accepted.
 - The specifications are general in nature, and are not meant to exclude any responsible bidder from bidding. Interpretations, corrections and changes to the bidding documents will be made by addendum. Interpretations, corrections or changes made in any other manner will not be binding, and bidders shall not rely upon such interpretations, corrections and changes.
