# JANUARY

Dear Monroe City Schools Community,

The start of the new year always brings a renewed sense of purpose and excitement for what lies ahead. January marks not only a time to set goals and embrace new opportunities, but also a special occasion to honor the individuals who work tirelessly behind the scenes to ensure our schools thrive.

This month, we proudly celebrate School Board Appreciation Month. Our dedicated school board members are committed to providing every student with a high-quality education, supporting our educators, and fostering a positive learning environment. Their leadership and vision play a vital role in the continued success of Monroe City Schools. Please join me in expressing heartfelt gratitude for their service and unwavering commitment to our district.

As we embark on the second half of the academic year, I am inspired by the hard work and perseverance demonstrated by our students, teachers, staff, and families. Together, we have accomplished so much, and I am confident that even greater achievements await us in the coming months.

Thank you for your ongoing support.

Wishing you a happy and productive January,

Sam Moore, III  
Superintendent
