CITY SCHOOLS

July 2024
4th Edition

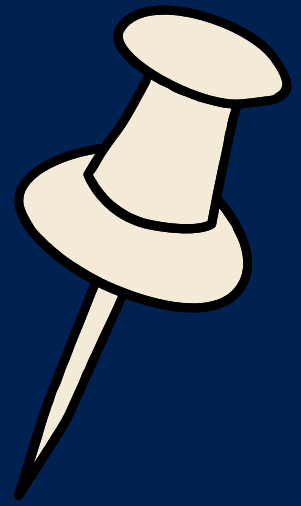

I hope that you have been enjoying your summer break, and you have made lasting memories with family and friends. I look forward to seeing you as we embark on the 2024-2025 school year. Hopefully you are excited about the new journey and are committed to improved student growth at each school in our district. I faithfully believe that together we will positively impact the lives of our students from all walks of life. Together Each Achieves More and Every Student Counts.
