

Login Instructions for Vector Training

Hello Staff!

We are pleased to offer a new way of delivering the safety training that you're required to complete each year. Using the Vector Training system, you'll be able to complete your training via the Internet at your convenience - even from the comfort of your own home!

How to log on to the Vector Training Program:

1. Using your web browser, go to the web page
<https://mcschools-la.safeschools.com/> (No "www" is necessary.)
2. To access your assigned training, enter your username. Your username is your district email address.
3. Your assigned course or courses will be listed on your personal Vector Training home page under "My Assignments."
4. Select any course by simply clicking on the name of the course. The courses have audio so turn up your speakers if you wish to hear the narration. Complete all the training scenarios and the assessment to receive completion credit for the course. You will have the option to print out a Certification of Completion once you successfully complete the course.

If you have any questions or problems with the site, please contact:
