## Faculty and Staff Vote for Permission to Submit a Charter Application

Local school boards have the option to require nonprofit groups to demonstrate support from a majority of BESE-certified faculty and staff in order to qualify to submit an application to convert the school into a charter school. This form provides the method by which you, as a faculty or staff member employed in a school eligible for conversion, can let your local school board know if you would like to allow the nonprofit group listed below to submit their application.

To indicate your desire to allow Neville Charter Association to submit a charter application, please follow the instructions below.

1. Only BESE-certified faculty and staff employed by the school on the most recent October 1<sup>st</sup> count may complete this form.
2. Only one form may be completed for each eligible faculty and staff member.
3. Page 2 of this form should be submitted to the applicant in a sealed envelope provided by the applicant.
