RE: Bid Recommendation

Dear James,

We have reviewed the bid results for the above mentioned project that were opened by the Monroe City School Board on September 10, 2019. The apparent low bidder was Underwater Treasures, with a base bid of \$558,664.00. See attached bid sheet.

This apparent low bidder has enforce the required Louisiana license classification (Specialty: Signs, Scoreboard, Displays, Billboards (Electrical & Non-Electirical), corporate resolution, and the proper bid bond that the Monroe City School Board required during the bidding process.

After review of the General Contractor's credentials and bid, we recommend to award the project to the apparent low bidder Underwater Treasures with the base bid for the scoreboard and marquee sign.

Please contact our firm if you have any questions.

Sincerely,

BRIAN D. MCQUIRE
